Three to receive grants awarded by student execs

By Lori Miller
Eastern News Government Editor

Three students, including two student senators, were chosen to receive scholarship awards funded from the tuition waivers given the top three student government executive officers, Jean Galovich, member of the scholarship committee, said Sunday.

Cathy Wolick, a sophomore from Oak Lawn, will receive a grant of about \$640; Don Donley, sophomore from Freeburg, will receive about \$320 and Bill Halleran, junior from Streamwood, will receive a grant of about \$200.

Although both Donley and Halleran are student senators, Galovich said there was no conflict of interest in awarding them the scholarships.

"It was never brought to the attention of the committee that (the two) were in student government," Galovich said.

"The recipients were decided on by consensus and the main carriers of the conversations were the faculty members," she added.

Members of the committee which chose the recipients were Bob Cabello, assistant director of activities and

organizations; Margaret Soderberg of the Political Science Department; Ron Wohlstein of the Sociology-Anthropology Department and students Nancy Spitze, Gary Shianakas, Financial Vice-President Larry Hart and Galovich.

Criteria for the scholarships was financial need and academic ability, Galovich said.

Galovich also said the awards will become effective sometime in March.

This is the last semester for the awards as all three executive officers elected in the recent officer elections, Mick Chizmar, Randy Kob and Hart, have indicated they will keep their waivers.

Senate downs move to limit voting rights

By Lori Miller
Eastern News Government Editor

The Student Senate defeated a proposal Thursday which would have allowed only senate-members on the Elections Committee to vote on issues involving rule violations and sanctions.

The proposal, developed by the Senate Governance Committee, was defeated through failure to receive a two thirds vote of approval.

It would have allowed non-senator committee members to vote on all other issues.

Governance Chairperson Barry Alexander said the proposal would add legitimacy to the election procedures.

"I think this motion will cut down on any bias which occurs in judging elections violations," Alexander said.

However, Elections chairperson Craig Courter said the motion did not go far enough to alleviate problems of bias.

Alexander said after the meeting he was unsure if the Governance Committee will form another proposal on the elections question.

The first proposal stems from controversy during Feb. 5 executive officer elections, when the senate decided the original Elections Committee was illegally appointed.

The senate threw out decisions made by the original committee and formed a new committee.

In other business, the senate approved an amendment to its bylaws detailing the duties of the campus co-ordinator for the Association of Illinois Student Governments (AISG)

The duties will include answering requests for information from AISG and AISG member schools, organizing and directing AISG campus projects and attending AISG board meetings.

The senate also approved a proposal from a committee composed of senate Housing Committee members and Residence hall Association (RHA) members.

Cloudy

Monday will be increasingly cloudy with rain likely. The high should be in the upper 40s or lower 50s. Monday night will also be cloudy with showers and thunderstorms likely and a low in the upper 40s or lower 50s.

Talking shop

Student Senator Don Donley (left) talks with Dick Doyle (right), a Democratic candidate for the state senate from the 1st District at a beer breakfast for the support of incumbent Illinois governor Dan Walker. Ann Reif (center), a delegate

candidate committed to Democratic presidential hopeful Fred Harris, racks the balls for a game of pool at Ted's, where the event was held. Harris will be in Charleston Monday. See story on page 3.

Hooker

Prostitutes attracted by San Francisco tolerance

SAN FRANCISCO (AP) — Prostitutes attracted by this city's tolerance of "victimless crime" have police and businessmen worried that San Francisco may soon be considered a haven for hookers.

"The women are getting more numerous," said police Sgt. Michael Dower, head of the nighttime vice squad detail. "We've made two or three times more arrests since January."

Hotel owners in San Francisco's Union Square area have reported a steady increase of prostitutes and some are fearful that the influx could frighten away the area's

tourist business.

"We're not trying to be moralists and stamp it out," said Irving Baldwin, president of the local Hotel Employers Association, "but it's offensive to many hotel guests when prostitutes are too bold."

Some hotel owners complain that prostitutes proposition people in front of their buildings. Several hotel guests have complained about prostitutes plying their trade in hotel lobbies and corridors.

Police and hotel owners agree that prostitution has escalated since Dist. Atty. Joseph Freitas' inaugural address

Jan. 5, when he said: "If it's a non-violent, non-coercive activity between consenting adults my office will not bother with it."

Despite the increase in arrests since January, Dower said it's not paying off in court. "Before January we had a conviction rate of 82 per cent. Since then we haven't had one trial for prostitution."

Ginger, an admitted prostitute who claims to make \$200 a night in the Union Square area, said she has noticed an influx of out-of-town prostitutes.

Placement Center expands list of job opportunities

By Jim Dowling
Eastern News Activities Editor

A survey conducted by Eastern's Placement Center has helped to add 700 company names to the center's job opportunity list while 1,000 more addresses have been obtained through Eastern's Purchasing Office, Placement Director Jay Knott said Sunday.

A total of about 2,000 firms have been asked that job opportunities for graduates be listed with Eastern's Placement Center, Knott said.

The jobs involve every aspect of industry including sales, computer programming and management, he said.

Knott said the center sent out letters in mid-February asking local businesses

for job listings and information concerning the companies.

Students wishing to find out about jobs registered with the Placement Center are urged to sign up at the Placement Office in the Student Services Building for a nominal fee.

Knott added that job opportunities related to a specific department will be posted on a bulletin board in the department.

He said many job opportunities will also be posted on a bulletin board outside of the Placement Office.

Knott said he encouraged students who are interested in education positions to register with the Placement Center.

Connelly to speak on primary

Joe Connelly of the Political Science Department will discuss the primary system and the upcoming Illinois primary at 7 p.m. Tuesday in the Booth Library Lecture Room.

Connelly will give his estimate of who the current leaders are for the nominations in both parties and will explain how delegates are chosen to national nominating conventions.

A former member of the Illinois General Assembly, Connelly is presently the chairperson of the Coles County Democratic Central Committee.

He is also a candidate for delegate to the Democratic national convention on a slate committed to Sen. Adlai Stevenson.

"Connelly's remarks about primaries take on great significance because they

come just one week before the Ma Illinois primary," Pat Rice, a gr student in the History department recently.

There is no admission charge lecture, which is being sponsored l History Series.

Corrected list names faculty candidates

In Wednesday's edition of the Eastern News several names were inadvertently left out of a story concerning the March 8 faculty councils' elections.

The corrected and complete list of the councils, candidates and their departments includes:

Board of Governors Council of Faculties: Dalias Price (geography) and Shirley Neal (English).

University Personnel Committee (UPC): Robert C. Wiseman (instructional media); Tim Gover (management and marketing); John North (secondary education); Mary Rogers (associate dean of student services); James Herauf (health education); James Giffin (management marketing).

Faculty Senate: Louise Murray (English); Hal Nordin (economics); Lavern Hamand (history); Jack Rang (theatre arts); Floyd Merritt (speech-communications); Robert Shuff (education); Carol Helwig (elementary and jr. high education);

Also for Faculty Senate: Herb Bartling (director of counseling and testing); Kenneth Sutton (secondary education); John Speer (botany); Verne Kniskern (zoology); Dorothy Hart (physical education); and Jack Waldrup (accounting, data processing and finance). Council on Academic Affairs (CAA): L. Donald Sundheim (foreign languages); Donald Morlan (speech-communications); Sabah Sedki (accounting, data processing and finance); Richard D. Andrews (zoology); Herbert Lasky (history); Samuel Taber (dean of student academic service).

Other candidates for CAA: George Schinsog (assistant dean of education); Donald Rogers (secondary education); Mary Ellen Atchison (physical

education); June Krutza (art); John Ford (geography); Martha Drew (management and marketing).

Council on Graduate Studies: John Laible (math); Beryl McClerren (speech-communications); Paul Overton (educational psychology and guidance); L. Barrie Hunt (zoology); Earl Doughty (elementary and junior high education); Ben Watkins (art); Richard Hooser

(health education); Gerhard Matzner (educational administration).

Council on Teacher Education (COTE): Robert Sonderman (industrial arts and technology); Raymond Griffin (student teaching); Harry Larson (secondary education); Paul Filter (secondary education); William Buckellew (physical education); Marise Daves (physical education).

Dorm awaiting news of 'its' child

February's Guatemalan earthquake tragedy hit Lincoln Hall residents close to home as they are still awaiting news about a child they sponsor in a province there.

No specific information has been received concerning Cesar David Diaz Alvarado, 9, except that the province Totonicapan where he lives had moderate to considerable damage from the quake.

Lincoln Hall, through the Christian Children's Fund Inc., has been sponsoring Alvarado since November 1974.

Money donated has helped to buy

clothes, toys, food and other essentials for the child.

Alvarado corresponds with the hall in Spanish. His last letter was received at Christmas.

Lincoln residents have been instructed to continue sending the regular payments which will be used for basic needs such as food, medicine and water purification.

They cannot, however, write to Alvarado because Guatemalan postal service has been discontinued in the wake of the tragedy.

Howlett, Harris to be at Eastern

Presidential candidate Fred Harris and Illinois gubernatorial candidate Michael Howlett will make separate campaign appearances at Eastern Monday.

Harris, a Democrat, is to speak to interested persons at 7 p.m. in the Grand Ballroom.

Following his speech, Harris is scheduled to be at Ted's Warehouse for a "meet the candidate" party, Dave Harrison, Student Senate Public Relations Committee chairperson said Sunday.

Harrison said the gathering at Ted's is open to the public with a \$1 cover charge.

Howlett, also a Democrat, will attend a luncheon at the Holiday Inn in Charleston and is scheduled to speak to student leaders at 1:30 p.m. in the Union addition Tuscola-Arcola room.

Howlett is then scheduled to campaign on the Charleston square until approximately 3 p.m., when he is slated for a press conference at the Democratic headquarters in the Whitt's End Building.

Editorial

Roll up your shirtsleeve, give a little blood

For the second time this year, the American Red Cross is on campus, asking all students to roll up their sleeves and give a little of themselves.

What the Red Cross wants Eastern students and Charleston residents alike to give is their blood. They do not want all of it—just one pint is all they need. That's about one-fifth of the blood in the human body.

The blood won't even be missed by the donor's body that long as the level is

returned to normal within a couple of days.

Giving blood hurts a little despite all rumors to the contrary. The needle stings for a second as the nurse pushes it into the donor's arm but the pain lasts only a short while. It goes away very quickly never to return.

Besides, the miniscule amount of pain suffered in giving blood is well worth the benefits a donor receives from having given blood.

The donors and their families receive

what in effect amounts to blood insurance—if the donors or any member of their immediate family needs blood within a year after the donation, they receive it free of charge. With blood going for \$70–\$80 a pint these days, that is no small thing.

Also, the blood that is donated this week could be a life saver for someone. That in itself should make giving blood worth the effort.

Anyone between the ages of 17 and 65, with some exceptions, is eligible to

give blood. If someone wants to take part in this very worthwhile activity, they should show up at the University Union Ballroom from 11 a.m.–4:15 p.m. Tuesday and Thursday and from 9 a.m.–12:15 p.m. Friday unless they have an appointment for Monday Wednesday.

The goal for Eastern this time around is 1,225 pints. With a little effort that goal can be beaten so let's everyone roll up their sleeves and join in. It couldn't hurt—much.

Teaching criminals non-violent crimes can reduce violence

WASHINGTON—Howard Anderson of Cambridge, Mass., has just come up with the ultimate solution to violent crime. The answer is "nonviolent crime." The problem as Howard sees it is that society expects people who commit street crimes to completely reform and after their punishment commit no crimes at all.

"This is impossible," he said, "and can't work. The statistics show that the majority of criminals go back to committing street crimes again and again because our present prisoner reform does not work."

Anderson's plan is this. Instead of prisons teaching inmates so-called honest trades, a program should be initiated to teach them "white-collar crimes" which pay so much better and don't seem to get anyone in the United States too upset.

The idea would be for the Harvard Business School, the Wharton School of Business at the University of Pennsylvania, the Yale Law School and other institutions of higher learning to set up courses in state and federal prisons where criminals could be taught the skills of committing "white-collar crimes."

The curriculum would include accounting, banking, stock market fraud, bribery, kickbacks and embezzlement.

The teachers would explain the advantages of "white-collar crime" over street crimes. The average take for a street crime in the United States is \$9.75.

Letters

Committee not endorsing political candidates

I would like to take this opportunity to express the Student Senate's Public Relations Committee's stand on sponsoring candidates.

Our sponsoring of national and state candidates is a service your student government wishes to provide to you. We do not at any time endorse any candidate but we hope to present students the opportunity to meet and question the people who will be making your decisions upon being elected.

We want you, the students, to be able to cast a more educated vote and for you to be able to take an active

Art Buchwald

For the work and risk involved it hardly pays at all.

There are other disadvantages.

When a person gets caught committing a street crime he usually winds up with some court-appointed lawyer who couldn't care less if the defendant gets 20 years or life.

A criminal who commits a street crime is treated with contempt by the police and society in general. In fact, the smaller the take, the less respect the criminal engenders from the judge and jury and, therefore, the heavier the sentence.

But white-collar criminals have the opposite effect on everyone. A man who has embezzled a million dollars from widows and orphans is one to be looked up to and respected.

An officer of a large corporation who is involved in stock fraud is considered a pillar of his community and can get hundreds of people to testify to his good character.

A president of a bank who steals his depositors' money is usually forgiven by everyone before the trial.

A politician who has been arrested for accepting bribes or selling judgeships is always addressed as "sir" by the police.

The people in jails could be persuaded that the same amount of time it takes to mug a old lady in the park could be spent arranging for a municipal contract to be given to a corrupt builder or a bribe-paying road contractor.

To convince them, the course would include lectures by judges who could describe the lightness of sentences meted out to white-collar criminals. Bus tours could be arranged to "open-air" prisons where white-collar criminals are sent for punishment.

There would be lectures by ex-white-collar criminals on how to seek the best legal advice after they are caught.

The beauty of Anderson's plan is that it does not ask a criminal to give up his trade. All it does is teach the convict socially acceptable methods of committing crimes that do not annoy the public.

When the average street crime convict discovers how much money there is in white-collar crime, and how little risk there is in getting punished, we can expect a dramatic drop in street crime, which is the only type that seems to shake anyone up in this country.

1976, Los Angeles Times

Cabello upset by former gymnasts

I, for one, am extremely tired of having a former cry-baby gymnasts continuously and unapologetically harrassing the Director of Athletics, Mike Mullally.

It seems that, regardless of what Mr. Mullally does, and he has done tremendous good for Eastern athletics, he is harrassed about an unfortunate decision to cut some sports from our athletic program.

It seems that he has already paid his pound of flesh many times over for this decision that he was forced to make and it's about time that people realize it and stop grabbing at straws with which to attack him.

UB to sponsor 2 spring trips

The University Board (UB) will sponsor trips over spring break to Daytona Beach, Fla. and Steamboat Springs, Col.

The Florida trip will be March 19-26. Round-trip transportation, five nights in a hotel, admission to Disney World and shuttle bus service will be provided for \$135. Steve Grove, assistant University Union director, said recently.

The Colorado skiing trip will be March 20-25 and will cost \$158 including six nights lodging and transportation.

"So far there are two buses taking approximately 75 people to Florida and one bus taking around 30 to Colorado," Grove also said.

Deadline for signups will be when all buses are filled.

Special Olympics walk-a-long set Saturday

By Jim Dowling
Eastern News Activities Editor

Members of the Lambda Chi Alpha fraternity and the Miller Brewery Company will sponsor a walk-a-long for the Special Olympics Saturday, Ron Wilson, a fraternity member, said Sunday.

The walk will start at 9 a.m. from the Mattoon Mall and continue along Ill. 316 to the Lantz Building, a total distance of 13 miles, Wilson said.

Pledge cards can be obtained from 1 to 4 p.m. Tuesday and Wednesday in the University Union lobby or in the Union addition Student Activities Office.

After receiving their pledge cards, registrants may obtain sponsors to pay whatever amount they wish per mile.

Wilson said there are approximately 500 walkers signed up for the walk-a-long.

All money collected, he added, will be given to the Special Olympics, a sports event for handicapped citizens.

Wilson said the first 200 walkers will receive Special Olympics T-shirts. A party for all participants of drinking age will be

sponsored by the Miller Brewing Company following the walk-a-long.

The site of the party has not been determined but will be announced later.

Additional information concerning the walk-a-long may be obtained from Wilson at 581-5491 or Pete Matteucci at 581-2333.

Corrections Department working to make prisons safe

By Jim Morse

Eastern News staff writer

Rita Allen of the Illinois Department of Corrections said Thursday night the department is currently working to provide safety and protection for prisoners under overcrowded conditions in Illinois correctional facilities.

Allen, the assistant to the chief of program services in the Department of

Corrections, spoke to a small group in the University Union.

Allen said that the Department of Corrections is now working under "the philosophy of reintegration", which is designed to help ex-convicts blend back into society as smoothly as possible.

The most important part of this system, she said, is to "provide a safe and humane environment" for all the

prisoners.

Allen said that it is a problem sometimes just to make sure that people can safely walk through the institution in which they are confined.

One of the things that is being done to provide this safe environment, Allen said, is the intensive training of all correctional officers.

All new correctional officers must go

through six weeks of training before go on the job.

They then must work under supervision of another officer who worked in the institution.

In-service training already-employed correctional officers being instituted also, Allen said.

Another problem is overcrowding state prisons.

The state prison facilities can about 10,000 prisoners maximum at time, Allen said. There are about 8,000 adults occupying this space right now, she added.

"We are going to reach maximum capacity very soon," Allen said.

There is a \$194,000 study under way to redesign the present facilities in order to house the projected increase in population, she said.

Concert honoring Ravel's birthday to be held

Several of Eastern's music faculty will present a free Maurice Ravel concert at 7 p.m. Monday in the Dvorak Concert Hall.

Katherine Smith, organizer of the program, said the Music Department is "celebrating Ravel's birthday 101 years and one day late."

Smith also said "a Ravel

commemoration is appropriate because the composer was enthusiastically received when he toured the United States in 1927-'28 and wrote glowingly to his brother in France about his experiences in America."

Music to be performed during the concert will be "Miroir Suite," which will be performed by Alan Alabaugh, and

"Trio For Piano, Violin and Violoncello," which will be performed by Smith, Ronald Kogen and Don Tracey.

Also performed will be the "Mother Goose Suite" in its original four-hand piano version. "Mother Goose" will be performed by Karen and George Sanders.

Program notes, Smith said, will be presented orally by Robert Weidner.

Imagine an order of 22,000 priests and brothers in 73 countries around the world. (That's a pretty big family.)

But that's what the Salesians of St. John Bosco are all about — a large family of community-minded men dedicated to the service of youth. (And no one gets lost.)

In the 1800's a chance meeting between a poor priest and a street urchin served to create a movement of such success that it is still growing today. Don Bosco became the priest who brought youth back from the streets — and back to God.

He reasoned that a program of play, learn and pray would make useful citizens of the world. He crowded out evil with reason, religion and kindness in a (what was then unheard of) atmosphere of family spirit.

The ideals of St. John Bosco are still with us today. His work goes on in boys clubs, technical and academic schools, guidance centers, summer camps and missions. And his very human approach is very evident in the family spirit of the Salesians. This is the way he wanted it. This is the way it is. The Salesian experience isn't learned — it's lived.

Pikes capture IM wrestling crown, Douglas Hall second

By Mark Golowski

Eastern News staff writer

With only two first place finishes, Pi Kappa Alpha managed to stay ahead of Douglas Hall and capture the intramural wrestling crown with 75 points Tuesday at Lantz Gym.

Douglas Hall, with 66 points total were runners up.

Only two wrestlers Eric Lentz of Pi Kappa Alpha and Brian Castillo of Sigma Tau Gamma repeated their crowns.

Lentz, last year's premier 134 pounder, hung on to win a close one, 2-1 over last year's 142 lb. champion Bryan Zall, while Castillo, last year's medalist at 150, repeated his same performance by

pinning Kim Eccles of Tau Kappa Epsilon.

With the score still close Pike 158 pounder Scott Bittner pulled a 7-0 decision over Paul Bauer of Douglas Hall for the first place show.

Top men for the champions included Pat Callahan who won 3rd place by

forfeit in the 150 lb. bracket, Con McCarty 2nd place showing in the heavy-weight division.

The boisterous crowd which nearly filled the floor bleachers on the west side saw Eastern's gridiron star Mark Stettner of Tau Kappa Epsilon pin Cloyce Martin at 190 lb. for a first place finished.

sports shorts

Handball, tennis entries due

Entries for intramural handball doubles and faculty-student mixed doubles tennis competition are due Monday, William Riordan, director of intramural sports, said Friday.

In the latter activity a faculty of staff member pairs with student of the opposite sex to form a team.

Softball deadline extended

The deadline for entries for men's and co-recreational softball have been extended through Monday.

Wrestlers finish 12th at national meet

By Tim Yonke
Eastern News Sports Editor

Led by the strong performances of Ed Torrejón and Rex Branum, the Eastern wrestling squad finished 12th at the NCAA Division II national meet held at Fargo, N.D. Thursday and Friday.

The Panthers compiled 28 points in the tourney via the second place finish of Torrejón in the 158 lb. class and Branum's third place finish in the 142 lb. division.

Both Torrejón, a junior from Tucson, Ariz., and Branum, a senior from Park Forrest, received All-American recognition for their efforts and will compete in NCAA Division I nationals starting Thursday at Tucson.

Torrejón came very close to being a national champion as he was leading 4-1 after the first period of the finals against the defending national champ Turner Jackson from the University of Tennessee-Chattanooga.

But Jackson overtook control of the match and downed Torrejón 9-4 to recapture his title.

Torrejón, a Phoenix Junior College transfer, received a bye in the first round

before defeating Dave Frisch of St. Cloud State 16-12.

In the quarterfinals he edged out Dave Hauser from the University of Tampa 7-6 before facing Mankato State's Larry Gridnature in the semifinals.

Torrejón and Gridnature battled to a scoreless tie after regulation time before the Panther 158-pounder won in the overtime period 4-0.

Torrejón improved his season record to 27-6 with his excellent performance.

Branum faced a harder road to his fame as he was defeated by Kirk Simet of South Dakota State 2-1 in overtime in his opening match.

The senior 142-pounder then had to battle his way back into the competition through the wrestleback system.

After his opening defeat, Branum won his next five matches to cop the third place spot.

He defeated Tom Lachusia from Springfield (Mass.) 7-5, North Dakota State's Brad Dodds (last year's third place finisher) 10-3, Rod Balch of Cal. St.-Bakersfield 4-3 and Gary Kessel from East Stroudsburg (Pa.) 11-3 before facing Pat Flaherty in the third place match.

Flaherty, from Augustana S.D., proved to be easy prey for Branum as the Panther 142-pounder trounced him 15-5.

Branum's season slate now stands at 34-3-1.

The first two places in each weight class went to the Division I nationals automatically, but Branum was selected as one of two wild card berths from the

Ed Torrejón

Rex Branum

entire tournament.

Head coach Ron Clinton brought three other wrestlers to the national meet.

Ed Becker fared the best of the trio as he made his way into the quarterfinals.

The 126-pounder lost his opening match 5-4 to Mike McCarthy of Old Dominion before beating Augustana's Kevin Ledford 3-0 and Vic Buehler of Springfield 10-3.

Becker lost to John Niebuhr of Western Illinois 4-3 in the quarterfinals.

The senior letterman finished his season ledger with a 27-8-1 mark.

Sophomore Jim Marsh was eliminated in his first 190-lb. match by Cliff Siefert of St. Cloud 9-2.

Freshman Jim McGinley also was eliminated in his opening match in the 150 lb. class as he was downed 8-0 by Ken Gabrielson of North Dakota State.

McGinley's season record ends 19-10-1 while Marsh, who missed half the season because of an injury, finishes 11-5.

Eastern's 12th place finish was an improvement over last season when the Panthers finished 15th in the national meet.

Panther trackmen slip past SIU, Murray in final event

By Bob Fallstrom
Eastern News staff writer

Southern Illinois and Murray State were both disqualified in the final event, the mile relay, as Eastern's track team eked out a 74-68 victory Friday night at Lantz Fieldhouse.

Murray State was third in the meet with 28 points. The victory gives Eastern a perfect 5-0 dual meet record at the close of the indoor season.

SIU had apparently won the event—and the meet—but a runner was disqualified for stepping on the inside lane line three consecutive times. Eastern finished second in 3:19.9 minutes, three-tenths of a second off the varsity record.

Ron Brachear, Bennie Phillips, John Hudecek and Reggie Johnson ran the relay for Eastern. Murray State was disqualified for excessive contact during the race.

Three varsity marks and one fieldhouse record were set by Eastern, which also set one freshman record and tied another. SIU added three fieldhouse records and Murray State one.

Mike Larson led the record-breakers for the second consecutive week, smashing the varsity and fieldhouse records in the two-mile.

Larson, who now holds eight indoor records and shares two others, ignored the early challenge of Murray State's Brian Rutter and sped to an 8:47.0

clocking.

The time broke the varsity record of 9:02.1, set in 1973 by Ron Lancaster and also bettered Larson's former 9:04.7 fieldhouse record.

Rutter led by a wide margin through the first mile and a quarter over Larson and SIU's John St. John.

Larson then sizzled to 64 and 65-second quarters in the last half-mile to easily outdistance the opposition.

St. John was second in 8:56.8 minutes and Rutter third at 9:07.2. Eastern's Casey Reinking set a freshman record in the race with a 9:10.8 clocking, breaking John Christy's 1975 9:14.7 time.

Paco Morera didn't set any records, but nabbed a double victory in the mile and 1,000-yard run, utilizing his patented kick in each race. Morera spurred to the lead on the final back straightaway, winning the mile in 4:08.9 minutes.

An hour later, Morera employed the same last-lap burst, winning the 1,000 in 2:12.7 minutes, one-tenth of a second off his varsity indoor record.

Toni Ababio established varsity records in the high jump and triple jump for Eastern, but finished second in both events. Ababio recorded a 24-foot-5½ inch leap, but SIU's Rock bettered that with a fieldhouse record 24-foot-7 inches.

Phillip Robins of SIU established a fieldhouse record with a 52-foot effort in the triple jump. Ababio broke teammate Charles Hollis' record with a 51-foot-6½ inch jump to finish second. Hollis, who set the mark earlier this year, was fourth.

SIU's Stan Padokski ripped the 35-pound weight throw fieldhouse record with a heave of 53-feet-10 ¾ inches. Michel Lord of Eastern was second, and former record-holder Gary Stajduhar third.

Martez Smith tied his freshman record in the high jump with a leap of 6-feet-8 inches, winning on fewer misses over SIU's Kim Taylor.

Jacobs Cuthbert of Murray State tied a fieldhouse record with a 31.0 seconds time in the 300-yard dash. Former

Eastern standout Sandy Osei-Agyei and George Daniels, both of the Chicago Track Club, are the other record-holders.

Gerald Bell returned to the Eastern lineup with resounding success, flashing to a 6.2 seconds winning time in the 60-yard dash.

Lumbia Tolliver added another Eastern victory in the 60-yard hurdles with a 7.5 seconds clocking.

Reggie Johnson broke through a tight pack of runners in the final straightaway to win the 600 in 1:12.7 minutes.

In the 880, Fred Miller, Tim Talbot and Mike Brehm gave Eastern a 2-1 finish. Miller was timed in 1:51 minutes, Talbot and Brehm both 1:53. SIU's Dennis Kern was the winner in 1:55.9 minutes.

Coach Neil Moore said he was disappointed in the method of victory, although Eastern would have lost 73-68 if SIU had not been disqualified in the mile relay.

"We earned it," Moore said. "Against us we can beat Southern it has to be an outstanding performance."

The fieldhouse was in an uproar at the disqualifications, with several runners threatening violence. A police officer was thrown in the direction of Eastern miler Paul Weilmuenster, who was named as a curve judge.

Tourney travel arrangements set

Two buses will be taken for Eastern students wanting to see Wednesday's opening round of the Great Lakes Regional basketball tournament.

Bill Clark, director of student activities and organizations, said Sunday that two 41-passenger buses will be taken for Wednesday's game. More buses may be added for Thursday's games.

Clark said the bus ride for one night will cost \$8 with the buses to return that same night.

Not enough interest was shown to merit an overnight stay, Clark said.

If demand is great enough, Clark said, he will line up additional buses for Thursday's games, also at \$8 a trip.

Tickets for the buses will go on sale at 10 a.m. Monday, at the University Union box office, Clark said. Bus tickets will be purchased separately from game tickets.

The price of game tickets has been changed from what was previously announced.

Rather than \$3 for bench seats

or \$4 for chairback seats per game, the price is either \$3 or \$4 for each two-game session (each night).

Tickets purchased at the Union, however, must be purchased for both sessions (Wednesday and Thursday) which would be either \$6 or \$8 depending on the type of seating desired.

Single session-only tickets may be purchased at Evansville.

Tickets will remain on sale through Tuesday after which unsold tickets will be returned to Evansville, Ron Paap, assistant athletic director, said last week.

Evansville's Roberts Stadium seats nearly 13,000 and no seating problems are anticipated, an Evansville spokesperson has said.

The Panthers play in the opening game at 7 p.m. Wednesday against St. Joseph. Wright State and host University of Evansville square off at 9 p.m.

The two losers will play at 7 p.m. Thursday followed by the championship game between Wednesday's winners at 9 p.m.
